

SUBJECT: QNG declaration

The content of the LVT product range of Associated Weavers meets the following criteria:

- SVHC < 0.10%
- CMR Substances Category 1A/1B < 0.1%
- Reproductive Toxic Phthalates < 0.1%
- No Tin, Cadmium, and Lead Stabilizers
- Chlorinated Paraffins (SCCPs + MCCPs + LCCPs) < 0.10%

This confirms that our LVT products are manufactured in compliance with current European chemical regulations and customer safety requirements.
