Statement

Apply to: SVHC and CMR substances

Dear Sirs,

Related to the process of SHI Product Passport Evaluation for Baltic Wood Multilayer wooden Flooring, we hereby declare, that ready product do not contain SVHC and CMR substances classified as hazardous in their original liquid or unprocessed forms in scale exceeding requirements on European union area (SVHC <0,1%, CMR substances 1A/1B < 0,1%).

As such, they are no longer present in a free or active state in the final product, and there is no emission of harmful substances during normal use exceeding obligatory regulations.

Sincerely yours,

Baltic Wood SA
