Re: Chlorinated Paraffins Resilient Products

Dear Valued Customer:

Shaw has a longstanding commitment to sustainability and the responsible manufacture of our products. This includes a strong focus on the material chemistry of our products. This commitment applies to our brands and is inclusive of COREtec International.

Based on information provided to us by our suppliers, Long-chain Chlorinated Paraffins (LCCP), Medium-chain Chlorinated Paraffins (MCCP) and Short-chain Chlorinated Paraffins (SCCP) are not intentionally added to COREtec Sound Core, COREtec Pro Core, and COREtec Mineral Core flooring products.
