

Declaration of Conformity REACH Compliance Statement

Vivafloors hereby confirms that all our suppliers comply with the requirements of the REACH Regulation (Regulation (EC) No 1907/2006 of the European Parliament and the Council), as amended. We confirm that the products we source, including PVC flooring and related products, meet the restrictions as specified in Annex XVII of the REACH Regulation.

Specifically, the following applies:

- The concentration of each SVHC (Substances of Very High Concern) included in the REACH Candidate List does not exceed 0.10% by weight.
- The concentration of any CMR (carcinogenic, mutagenic, or reproductive toxic) substance of category 1A or 1B is maintained below the Generic Concentration Limits stipulated in REACH Annex XVII (0.1% for carcinogens, 0.3% for reproductive toxins).
- The product formulation does not contain and is manufactured without the intentional addition of tin, cadmium, lead, or lead-based stabilizers.
- The total concentration of chlorinated paraffins (including SCCPs, MCCPs, and LCCPs) is less than 0.10% by weight.
- This statement is supported by a technical dossier containing supplier declarations and test reports and is accurate to the best of our knowledge at the time of issuance.

For Dryback Vinyl and Rigid Click flooring,
